ARREST OF EXECUTION. Judge Scott Grants a Supersedeas In

the Anarchists' Case.

BLOOMINGTON, Ill., Nov. 25,-At 11 o'clock this morning Judge Scott granted | Contractors for the Rock Island Raila supersedous in the anarchists' case. Messrs, Black, Scott and Solomon started at once to Ottawa to have the clerk issue the order in pursuance to Judge Scott's in Ready to Begin Operations - The structions. The effect of the order for the supersoders will be to delay the execution until the full bench of the supreme court has passed upon questions raised for trial. The Report of the Third Assistant It is estimated that in the ordinary course of proceedure a hearing and decision can not be reached for six or eight weeks; that even though the lower court is sustained, the sentence can not be carried out until me time in March or April.

Judge Scott's order granting the super- special Dispatch to the Daily Eagle. edeas is purely formal; without going The following are the indications for Hill into any particulars or giving any reasons nois, Missouri and I lowa: Generally fair weather, sentherly winds, becoming variations for granting the writ.
